Dear Colleagues and Esteemed Guests,

Greetings from Rishikesh,

On behalf of the organizing committee of **ARTTICON 2026**, it is indeed a great pleasure to invite you all to **the 11th International & 30th Annual National Conference of Association of Radiation Therapists and Technologists of India** to be held at **AIIMS Rishikesh, Uttarakhand** from **25th to 27th September 2026**. We are delighted to introduce the theme of this year's conference

“Revolutionizing Radiotherapy: From Vision to Precision”

ARTTICON 2026 is a prestigious national and international conference organized by the **Association of Radiation Therapists and Technologists of India (ARTTI)**. This conference will bring together eminent professionals, experts from India and across the globe, to promote advanced learning, meaningful professional collaboration, and academic inspiration. The rapid advancement of technology in healthcare management, particularly for cancer patients, has revolutionized the application of radiation for diagnostic and therapeutic purposes. This progress has significantly altered the concepts, procedures, and practices of radiation treatment, dosimetry and quality assurance within the discipline of Radiation Oncology.

We are especially proud to host this conference in the state of **Uttarakhand for the first time**. Rishikesh renownedly known as the **“Yoga Capital of the World”** offers a unique blend of spirituality, culture, and adventure. Nestled on the banks of the sacred River Ganga, the city is celebrated for its meditation centers, iconic ashrams such as **Parmarth Niketan** and **Beatles Ashram**, vibrant **Ganga Aarti** rituals, and ancient temples. It also serves as the gateway to the **Garhwal Himalayas** and the **Char Dham pilgrimage**, while offering adventure activities such as rafting and bungee jumping. Landmark places including **Laxman Jhula, Ram Jhula, and Janki Setu** further enrich the visitor experience.

We warmly invite you to join us at **ARTTICON 2026** and be part of an enriching, unforgettable academic and cultural journey. Your esteemed presence will greatly contribute to the success of this academic event.

We look forward to welcoming you to Rishikesh

With warm regards,

Dr Deepa M Joseph
